

Chatham Interface Land Development Brief 2017

Development Brief Consultation November 2017

Medway Council is seeking comments on the content of the Chatham Interface Land Development Brief 2017. The Chatham Interface Land Development Brief has been drafted to update the existing 2010 Supplementary Planning Document, in order to reflect the changing economic and planning circumstances and enable the development of this key regeneration site to be brought forward.

The development brief identifies the potential for a residential-led development with opportunities for supporting commercial uses (office, café/restaurant). This Development Brief will ensure that the site is developed in a manner that complements the existing Historic Dockyard and is of a design appropriate to its sensitive historic setting.

This is a formal stage in the preparation of the Development Brief. Once adopted the Development Brief will be a planning guidance document, which will be a material planning consideration against which decisions can be made in relation to development proposals on the sites.

The council is keen to hear from residents, businesses, organisations, community and interest groups to help inform the development brief. The consultation period runs from Friday 10 November to 22 December 2017.

Please note that your response will be recorded and published on the council's website as part of the process of producing and adopting the Interface Land Development Brief.

You can submit comments by using this survey, which is also available to download at: www.medway.gov.uk/interfaceland

You can also make comments by email to: planning.policy@medway.gov.uk

Alternatively you can write to us at:

Planning Policy,
Regeneration, Community, Environment and Transformation
Medway Council,
Gun Wharf, Dock Road, Chatham, Kent ME4 4TR

Comments must be received by 5pm on Friday 22 December 2017.
