Devolved BSOG Grant - Annual Outputs Report 2017

BSOG for tendered services has been devolved to local authorities. This survey will allow Department for Transport to monitor the initial impacts this devolution has had.

The output reporting survey is comprised of two sections. Section A outlines background information whilst section B allows for discussions on the tendered bus network.

If the amount of BSOG devolved to you is less than £15,000 per annum, completing this survey is **optional**. If you receive an amount greater than the set threshold of £15,000, completing the survey is **mandatory**.
