Dear Adam

As you are aware I, together with Dominic Woodfield represent Palm Developments Ltd who we have advised throughout the course of the Core Strategy. Our clients are anxious for Mr Woodfield to participate in next Tuesdays Technical Discussion on Lodge Hill. This e-mail formally requests that Mr Woodfield be permitted to attend that meeting. I am aware that the Inspector has made it clear that Mr Woodfield needs to participate as an expert witness. Whilst I can assure you that he will act in this way I have nevertheless been asked to send you the attached letter from Mr Woodfield which explains his expertise and the stance that he will take.

I will therefore be grateful if the Inspector gives permission to attend.

I thus look forward to hearing from you.

Yours sincerely
