Dear Mr McCutcheon

Thank you for your letter of 29 August. After today, I will not be working again until 11th September and will be holding the Pre-Hearing Meeting for the Brighton and Hove Examination on 12th September. In the circumstances, I will not be able to provide a full response to your letter until the week commencing 16th September.

However, it would be inappropriate for me to take into account additional information regarding the Sustainability Appraisal (or any other matters) without giving interested respondents an opportunity to comment. For this reason, I have not looked at the interactive map you supplied and will not accept this as an Examination Document at this time.

Laura Graham

Inspector
