Dear Mr Court

Thank you for your letter dated the 20th July 2012. The Inspector is aware of the document to which you refer. However, in fairness to all parties, if she were to place significant reliance on it in preparing her report, she would need to give all interested parties an opportunity to comment on its significance for the Medway Core Strategy. She will give consideration to whether this is necessary, once it is clear how the Core Strategy is going to progress in relation to the Lodge Hill issue.

Yours sincerely
