

# Town Hall Gardens Masterplan (DRAFT - for consultation)

Look to recreate entrance feature stone at Whiffens Avenue

Resurface all paths that are in poor condition

Improve flower beds with more colour and wildlife

Refurbish existing play area with additional play equipment

Install new maintenance/ works access gate

Footpath to Great Lines Heritage Park

ROPE WALK

Formalise desire line from Rope Walk by installing new footpath and steps (no dig to avoid tree roots)

**Masterplan Key:**

-  New signage/interpretation needed
-  Existing signage
-  Existing benches (to remain)
-  New benches/Benches to be replaced
-  Proposed Flower beds
-  Existing natural play

Install additional benches to match in with original design

Remove some conifers along main path to improve sightlines and views. Replace with more appropriate tree species

Create entrance at King Street end with footpath and steps
