Medway's Bus Service Improvement Plan

As part of the government's National Bus Strategy, all local transport authorities publish a Bus Service Improvement Plan (BSIP) to transform bus services across the country, to ensure buses are:-

- more frequent
- more reliable
- easier to understand
- easier to use
- better co-ordinated
- cheaper.

We also engage with bus operators with an Enhanced Partnership, which includes promotions and initiatives funded by government and our Bus Passenger Charter.
